

# SOGNARE AMALFI 760 *HYBRID*

## SETTING SAIL IN STYLE

Our company purpose is to create a yachting Dream, yours!

A mix of Italian Design and Dutch Craftsmanship blended with your vision resulting in a unique, **personalized and unmatched Yachting Dream.**

Sognare Yachts offers a range of options to enhance your yachting experience. Whether you crave exhilarating speed or prefer eco-conscious sailing, our comprehensive selection of drive trains caters to your individual needs. With our expertise in hybrid propulsion solutions, you can enjoy silent cruising with zero emissions in full electric mode, and effortlessly transition to high-speed thrills powered by a modern, efficient Yanmar Diesel engine running on renewable Diesel Fuel.

## Embark on Your Journey

Are you ready to embark on an extraordinary yachting adventure? Sognareyachts is here to guide you every step of the way.
